**SUMMER  
HOLIDAYS  
HOME WORKS**

*Std. II*

Summer, summer,  
I'm so glad you're here!  
Summer, summer,  
Let's give a cheer!  
Summer, summer,  
I'll meet you at the park.  
Summer, summer,  
Let's stay up till dark!

Dear Parents,

This holiday homework has been designed with love and care to help our young stars continue learning even during this festive break. The activities are fun, simple and creative, aiming to keep your child engaged while developing basic skills in a joyful way.

Homework helps children build a habit of self-discipline, improves focus and encourages curiosity. It is not just a task but a way to explore, imagine and grow while celebrating the spirit of Durga Puja.

Let's make this festive time full of learning, laughter, and love!

### **(AI) Important Notes for Parents:**

1. Kids should use AI under adult supervision only.
2. Time limit: Max 20 min/day on screen.
3. Focus is on talking about what AI said, not just copying.
4. Use AI apps like ChatGPT, Gemini, Meta AI, etc.

Task: Ask AI 5 questions about a topic of History or Science. Then verify the facts using textbooks or websites. On an A4 size sheet, write each of the 5 questions, their AI answers, whether those are correct or incorrect, and your source of verification.
